Description ▼

- Supports all Bosch 18V Professional and AMPShare 18V battery packs with at least 4.0 Ah
- For flexible use wherever there is no power socket within reach
- Extremely quiet, only 60 dB(A) (sound pressure level Lp)
- Environmentally friendly and low-maintenance - no oil in the condensate and no need to change the oil
- Compressed air extraction via a one-hand quick-release coupling
- Pressure reducer for infinitely variable adjustment of the desired working pressure
- One pressure gauge each for displaying the tank and working pressure
- Convenient handling due to low weight
- Vibration-damping rubber feet
- Powder-coated compressed air tank

Manufacturer

Aircraft Kompressorenbau und Maschinenhandel GmbH
Gewerbestraße Ost 6, 4921 Hohenzell, Austria
info@aircraft.at

Significant Features ▼

Oil-free

- No oil change necessary
- No oil in condensate

Very quiet

Suitable for installation in any working environment

Media informations ▼

Battery shown not included

Battery shown not included

- Compressed air extraction via a one-hand quick coupling
- Pressure reducer for continuous adjustment of the desired working pressure
- One pressure gauge each for displaying the container and working pressure

- Supports all Bosch 18V Professional and AMPShare 18V battery packs with at least 4.0Ah
- For flexible use wherever there is no power outlet within reach
- Battery shown not included in delivery

Technical data ▼

Dimensions and weights

Length (product) approx.	370 mm	Width/depth (product) approx.	355 mm
Height (product) approx.	410 mm	Net weight approx.	14,9 kg
Explanation Net weight (product) approx.	Without battery		
Electrical Data			
Supply voltage	18 V	Drive motor output	0,4 kW
Noise emission			
Whisper quiet	Yes	Sound pressure level Lp	60 dB(A)
Compressor			
Oil-free / oil-lubricated	Oil-free	Suction capacity approx.	120 l/min
Filling capacity approx.	50 l/min	Compressor speed	1600 min ⁻¹
Compressed air tank			
Maximum pressure	8 bar	Pressure vessel capacity	6 l
Tank surface	Powder-coated		

Equipment ▼

Pressure regulation	Pressure regulator	Automatic pressure switch	✓
Compressed air outlet	A one-hand quick coupling	Condensate drain	Ball valve
Pressure vessel	Powder-coated	Compressor base	Vibration damping rubber feet

Accessories ▼

Battery pack ProCORE 18V 8.0 Ah BOSCH

High-performance battery for power equivalent to a 2,000 watt corded appliance
