Description ✓

- Mobile model with two rubber wheels, handle and practical hose reel with 6 meter long pressure hose
- Compact size for easy transportation and storage
- Quick, convenient nozzle change thanks to CLICK-FAST quick connection system on the hand spray gun
- Total stop pump control: start and stop the pump motor without delay via a pressure switch by opening and closing the gun
- Reliable three-piston axial pump with swash plate and aluminum head, stainless steel piston
- Increased service life of the pump head due to automatic safety valve
- Motor protection switch protects the motor from overload
- Easy to check and maintain water filter to protect the pump from dirt particles in the water
- Practical holders for hand spray gun, high-pressure hose and power cable
- Rotating nozzle and foam spray device included
- Operation with a water tank or similar possible - The HDR-K is self-priming down to a depth of 0.5 m
